Dear Mr. Porter:

This letter is written to provide notification that a Site Investigation will be performed along the former Navy fuel pipeline just north of Defense Highway. The Site Investigation will be performed to determine the extent of any petroleum contamination in the soil in the vicinity of former valve chambers associated with the pipeline. Contaminated soil will be removed from several of the chambers as part of the investigation.

This notification is provided in accordance with the Rhode Island Regulations for Investigation and Remediation of Hazardous Material Releases, Section 7.07. You will be notified when the Site Investigation Report is available for review.

If you have questions pertaining to this matter, the point of contact is Mr. Arthur D. Sylvester at (401) 841-3919.

Sincerely,

A handwritten signature in cursive script that reads "D. D. Dorocz".
